

Kingsway Class Summer Term 2017

Key Areas of Learning

As **Geographers** we will be able to begin to name some seaside resorts of the UK using a map; describe simple human and physical features about seaside resorts; locate a range of seaside resorts and describe their location; Use compass directions (NESW).

As **Historians** we will be able to describe in more detail how seaside resorts have changed over time.

As **Scientists** we will be investigating and naming a variety of plants and animals. In addition we will begin to classify animals and compare their structures.

During our Treasure Island topic we will have the opportunity to describe the physical properties of everyday materials.

As **Artists** we will be studying art by artist George Seurat and his style of pointillism. We create our own art work in the same style.

ENGLISH

In English this term we will be studying the poem 'If I Were a Pirate' and our focus story will be The Night Pirates. We will learn part of this story and adapt it, using our own innovations.

In addition to our talk for writing topics, we will continue to have daily phonics through the Read, Write, Inc. programme.

MATHEMATICS

In maths lessons we will learn to multiply using repeated addition and divide by dividing a set of objects equally. Furthermore we will be learning to read, write and use numbers to 100.

We will continue consolidating other areas of the maths curriculum through math meetings.

PE

In PE we will be learning about creating shapes with our bodies in gymnastics. Furthermore we will be building our skills with large/ small balls and racquets.

RE

In R.E. we will be learning about Judaism. We will study the festival of light Hanukah and also look at the holy day Shabbat.

COMPUTING

We will be studying a topic called We are storytellers. We will use technology to create, organise and store digital content.

MUSIC

As musicians we will be beginning to add sound effects to a piece of music.

PSCHE

In PSHE we will deepen our understanding of our monthly values peace, empathy and forgiveness.

FRENCH

In French we will be deepening our knowledge of celebrations and learning to sing happy birthday. Furthermore we will begin to recognise similarities between words in different languages.
