

Sport Funding Premium Report 2014-15

Aston & Cote CE Primary School

Our aims:

- To promote exercise and healthy lifestyles
- To raise standards in PE and school sport
- To develop an outstanding PE curriculum
- To develop outstanding teaching of PE and sport throughout the school
- To increase participation in exercise and sporting activities
- To identify, celebrate and nurture sporting talent
- To increase opportunities for all pupils to take part in internal and external sporting competitions, tournaments, events and performances
- To widen opportunities to take part in sporting activities not usually accessible to a primary school
- To use sport as an opportunity to promote the idea of team and community and to strengthen personal character and develop values

In 2014-15 the school received £8,376. Below is a breakdown of expenditure and impact.

Actions	Who was involved? What were the costs?	Impact
Regular sports features in the newsletter; sports display board and display books	All children	Pupils and parents are informed about the sporting opportunities available to them in school. There is a high profile of sport in the school. We place high importance and value upon this. Pupils have a minimum of 2 hours access to PE lessons a week as well as 2 lunchtime and 4 after school sporting clubs. Pupils look at the board regularly for updates and are asked for ideas and feedback.
Part funded partnership sports coordinator; TA overtime and some subsidy of transport costs	Most pupils in the school have taken part in at least one event £1500 Transport & TA overtime - £750	We have been able to take part in a wide range of interschool tournaments, events and competitions Pupils are proud and happy when they have certificates for participation and for winning if competition – these are given out in assembly. Character building – bonding as a team and learning core values for life. Opportunities for those with sporting talent to shine. Also, opportunities for those who would not normally take part to take part – building confidence, teamwork skills and a sense of community. We have a good level of participation in the Witney partnership sporting events for a small school
We employed a qualified sports coach for one PE session per class a week: lunchtime and after school clubs <small>Teachers MUST team teach with the coach at least once a big term to develop their practise and expertise</small>	All pupils £3,898	Increased professional expertise within the school – Lisa our sports coach is very well qualified in her field. This has raised standards of PE lessons. There are increased opportunities for pupils to participate in sport – at lunchtime and after school 2014 -2015 - Figures show 103 pupils last year out of 146 engaged with extra curricular activity which is a fantastic 71%! 97% of pupils in Year 6 also achieved the standard expected for the National curriculum. We have offered the following clubs this year: <ul style="list-style-type: none"> • Cricket • Tennis • Tiger club – invite only • Multi- sports – infants and a sep KS2 club • Strictly Dancing – infants and a sep KS2 club • Lacrosse • Ignite Sports Club • Hockey • Football

Purchased dance outfits (bow ties) to enable our pupils to take part in a regional competition	KS2 pupils New bow ties £15	This has raised the profile of dance in the school, especially notable with boys. This has placed high importance and value upon dance Some of our pupils had the opportunity to take part in a regional competition and to perform to an audience at the theatre in Oxford against other Oxfordshire schools All pupils performed to their parents in the school hall.
Lacrosse sets	£223.08	Enabled first access for KS2 pupils to a new sport. Opportunity for G&T sport pupils to shine. We had several excellent players shine through this opportunity. Learning new skills and rules – why it is important to follow these.
Sports Day/week	Release time to plan a successful Healthy living and Sports week £300 Resources £150	A very successful week – pupils enjoyed access to a range of sports and activities that included: crossfit, judo/martial arts, Tai Chi and Quiditch. Understanding of how to live a healthy lifestyle including the importance of keeping active was developed. Families were involved with sports day through the rotation through stations and final races.
Cross Country Medals	£30	This has raised the profile of running in the school. Opportunity for G&T sport pupils to shine. We had several excellent runners shine through this opportunity. Positive values – endurance, perseverance and resilience – it was cold and wet! The children supported and cheered for each other.
Scooters for active playtimes	£650	Increased activity at playtimes – One previously inactive pupil commented (whilst giggling) ‘my tummy muscles are really hurting’ The action required to manoeuvre the scooters works the core muscles, arms (via the use of paddles) and legs. Increased opportunity and enjoyment at playtimes. Team scooters enable good team work, collaboration and development of character.
Cricket and swimming training opportunities – Coaching alongside cricket coach	£180 x2 (swimming course for staff) £300 - cricket	The pupils now have 3 qualified teachers for swimming lessons. Quality of swimming lessons has improved as a result of this training. Cricket continues to be a very popular and well taught school sport. G&T pupils were given the chance to excel under expert coaching which will be sustained by the three teachers who taught alongside the coach. Pupils in Year 2/3 had a strong, exciting introduction to the sport. Resources from cricket coaching to keep for pupils to use in future – one whole cricket set.
Enrolled in the Youth Sport trust	All pupils £200	Teachers currently trialling resources. We have used this as part of this year’s action plan to audit provision; continue to raise profile and improve provision. We have achieved- the Silver Kitemark.

For the second year running we have been awarded the SILVER kite mark for School Games.
