

Under the Sea

Windmill
Term 5 2017

Key Areas of Learning

As **Artists** we will be creating a Rainbow Fish collage using a variety of materials and techniques. Using a computer programme to design a sea creature. We will also be experimenting with textures by creating sea pictures using a variety of tools and we will sing a variety of topic related songs and use instruments to accompany songs.

As **Physical learners** we will be covering dance, movement and co-ordination. We will also be discussing and observing the effect of exercise on our bodies and the need for healthy diets. We will be discussing safety when using equipment and we will talk about safety around water, rivers, sea and lakes.

COMMUNICATION, LANGUAGE & LITERACY

In Literacy *The Rainbow fish* will be our fiction text this term. We will be learning key storytelling skills enabling us to map, retell and adapt the story in our own guided writing. Daily RWI sessions We will be using the computer to find information about sea creatures and will use this information to make an information book about sea creatures

MATHEMATICS

In maths lessons we will be focusing on the following areas:

Counting games

- Counting fish
- Maths trails counting a variety of objects

Number recognition and writing

Pattern:

- Create patterns on fish
- Shape printing

Capacity:

- Water tray games containing containers

Adding and Subtracting:

- using objects

RE

In R.E. we will be learning about stories from various religions and cultures and we will be thinking about what we can learn from these stories.

PSCHE

Our values this term will be Justice and Empathy. We will be discussing friendship, turn taking and sharing. Circle time will involve discussing behaviour, feelings, sharing and being kind to each other.

SCIENCE

In Science we will be observing, discussing and comparing sea and land animals, experiment with freezing and melting water and we will be comparing beach and city environments.

COMPUTING

We will use the internet to find out about sea creatures. We will be using programmable toys and picking apps for purpose.

MUSIC

In Music we will be learning about rhythm based on nursery rhymes and we will be composing a sea music using instruments.
