

The New Primary Curriculum

Aim: To begin to familiarise you with the changes to the new curriculum and make you aware of the raised expectations of the children

- **A brief introduction**
- **Changes in English**
- **Changes in Maths**
- **What we are doing now as well as future plans to support the children next year**
- **How parents can help**
- **Questions**

- End of year expectations significantly raised
- ALL primary schools in the same position
- Our children have only had one year of this new curriculum
- Y5 pupils will be tested on this curriculum next year

Changes in English

- Statutory spelling lists
- Grammar and punctuation
- Quantity of reading
- Inference
- Vocabulary

Changes in Maths

- Lots of new concepts not covered in KS2 before
- Written arithmetic using formal written methods
- Problem solving and reasoning
- Importance of correct vocabulary e.g. quotient
- Emphasis upon mastery

$$35.643 + 423.56 + 7128.3 = \boxed{}$$

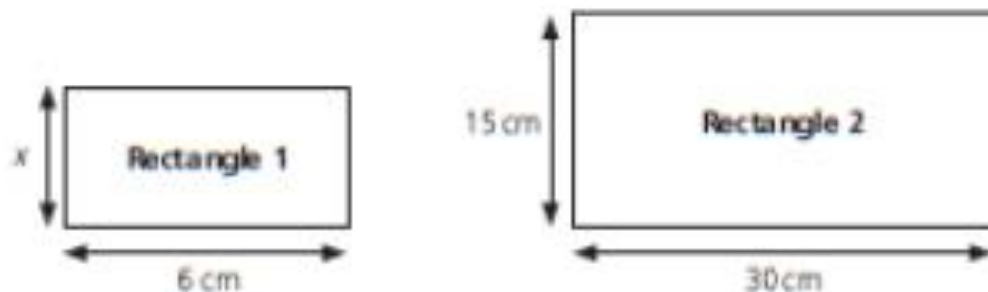

$$36\,724 + 25\,984 - 17\,087 = \boxed{}$$

$$9^3 + 9^2 = \boxed{}$$

$$0.56 \times 10 = \boxed{} \div 100$$
