

## **Claudia Harris**

I joined the governing board in September 2014 as a parent governor. I wanted to give something back to the community and our local village school, which both my children have benefited from. Previous to this I held the position of Chair of the local preschool for three years and at present I am proud to be the Chair of Governors at Aston & Cote Church of England Primary School.

I work for the Lloyds Banking Group, and prior to this as a legal assistant for a firm of intellectual property, patents and commercial lawyers. I am also a qualified early years practitioner and have previously worked at the preschool as the administration and finance clerk and a preschool teacher. I am pleased that the preschool has now been taken over by the school, both to ensure sustainability and continuity of learning between the two settings.

I am passionate about every child's education and I believe in bringing out the best in every child from when they start in the early years through to Year 6. I am incredibly proud of all of our children and teachers and I enjoy spending time in school learning alongside our wonderful school community.
